God touched our weary bodies with His power,
And gave us strength for many a trying hour
In which we might have faltered
Had not you, our intercessors,
Being faithful and true.

Because you prayed,
God touched our eager fingers with His skill
Enabling us to His blessed will
With scalpel, suture, bandage - better still
He healed the sick, the wounded, cured the ill.

Because you prayed,
God touched our lips with coals from the altar fire
Gave Spirit fullness, and did so inspire
That when we spoke, sin-blinded souls did see
Sin's chains were broken - captives were made free.

Because you prayed,
The dwellers in the dark have found the light
The glad, good news has banished the heathen night,
The message of the cross so long delayed
He brought them life at last **BECAUSE YOU PRAYED!!**
