Flora D. Polk was born September 27, 1929, the oldest daughter of John and Amy Craig. Her siblings London, Leandrew and Ora D are deceased. She has two other lovely sisters Bessie Brownlee, and Mary Francis Taylor Allen. Married to Edward Polk, and she is the mother of four children. Annie, Joyce, Gary, and Tommy (deceased).

Since 1950 she has only missed the reunion three times in her life. She worked at Rockford Products and retired in 1993. She was not a stranger to work as a matter of fact she worked in a mans world making the same money. She was told that she couldn't do it, but it was not in her vocabulary. She was indeed a trail blazer and one to be remembered.

My Aunt is really wonderful in her own way. She has a childish way about herself as she snickers sometimes to not be upset. She can also tell some whoppers for those of you who know what I mean. I smile when I say her name affectionately. She is a Christian that's for sure and these past few years I have become to know her better. She is ready, willing, and able to take on any task that she deems important and I may add she is quite relentless.
